## What is LiveJournal.com?

LiveJournal.com is a **free service** here on the Internet that allows you to create and customize your very own "live journal" ... an up-to-the-minute log of whatever you're doing, when you're doing it. It's free, it's fun, it's easy to use!

"Baaaah,"  
says Frank.

## How do I use my LiveJournal?

It's easy!!! You update your LiveJournal whenever you want either on the web, or by a small [easy-to-use program](#) you install on your computer.

Perhaps the best way to understand LiveJournal is to see it in action. Look at the LiveJournals of [Eli](#) and [Bethany](#). See how LiveJournal users [Brad](#) and [Erik](#) have integrated their LiveJournals right into their personal homepage!

So come and create your very own LiveJournal. Let the world know the story of your life, as it happens! (*whether they want to or not*)

## What is it?

Blogger is an automated weblog publishing tool.

## What does it do?

You make posts to your weblog (or your What's New page or any other web page you want to update frequently with chronologically sorted posts) by submitting a form on this web site, and the results immediately show up on \*your\* site, with \*your\* design.

## How does it work?

Magic! Well, actually, you provide Blogger a template of your page (or use the default) that indicates where you want your posts to appear. When you make a new post, you'll get a "Save to Server" button that will automatically FTP your new page to your web server. No muss. No fuss. Total control.

## Wow, where do I enter my credit card number?

Blogger is free. Try It out.

### 3. Los permisos que nos concedes

Para proporcionar nuestros servicios, necesitamos que nos concedas determinados permisos:

1. Permiso para usar contenido que creas y compartes: Tu eres dueño del contenido que creas y compartes en Facebook y los demás Productos de Facebook que usas, y ninguna disposición incluida en estas Condiciones anula los derechos que tienes sobre él. Puedes compartir libremente tu contenido con quien quieras y donde quieras. No obstante, para brindar nuestros servicios, debes concedernos algunos permisos legales con el fin de usar ese contenido.

En concreto, cuando compartes, publicas o subes contenido que se encuentra protegido por derechos de propiedad intelectual (como fotos o videos) en nuestros Productos, o en relación con ellos, nos otorgas una licencia internacional, libre de regalías, sublicenciable, transferible y no exclusiva para alojar, usar, distribuir, modificar, publicar, copiar, mostrar o exhibir públicamente y traducir tu contenido, así como para crear trabajos derivados de él (de conformidad con tu configuración de privacidad y de la aplicación). En otras palabras, si compartes una foto en Facebook, nos concedes permiso para almacenarla, copiarla y compartirla con otros (por supuesto, de conformidad con tu configuración), como proveedores de servicios que usan nuestros servicios u otros Productos de Facebook que usas.

productos. La licencia finalizará una vez que se elimine tu contenido de nuestros sistemas.

No vendemos tus datos personales a los anunciantes ni compartimos información que te identifique directamente (como tu nombre, dirección de correo electrónico u otra información de contacto) con los anunciantes, a menos que nos des tu permiso expreso. Por el contrario, los anunciantes pueden proporcionarnos datos como el tipo de público que quieren que vea sus anuncios, y nosotros mostramos esos anuncios a las personas que pueden estar interesadas en ellos. Proporcionamos a los anunciantes informes sobre el rendimiento de sus anuncios para ayudarlos a entender cómo las personas interactúan con su contenido. Consulta la sección 2 a continuación para obtener más información sobre cómo funciona la publicidad personalizada en los Productos de Meta conforme a estas condiciones.

## 1. Quién puede usar Facebook

Cuando las personas asumen la responsabilidad por sus opiniones y acciones, nuestra comunidad es más segura y transparente. Por este motivo, debes:

- Proporcionar para tu cuenta el mismo nombre que usas en la vida cotidiana.
- Proporcionar información precisa sobre ti.
- Crear solo una cuenta (propia) y usarla para fines personales.
- No compartir tu contraseña, conceder acceso a tu cuenta de Facebook a otros ni transferir a nadie tu cuenta (sin nuestro permiso).

2. Permiso para usar tu nombre, foto del perfil e información sobre las acciones que realizas con anuncios y contenido patrocinado o comercial. Nos concedes permiso para usar tu nombre y foto del perfil e información sobre las acciones que realizas en Facebook junto a anuncios, ofertas y otro contenido patrocinado o comercial que mostramos a través de nuestros Productos, o en relación con ellos, sin que recibas compensación de ningún tipo. Por ejemplo, podemos mostrar a tus amigos que te interesa un evento publicado o que te gusta una página de Facebook creada por una marca que nos paga para mostrar sus anuncios en Facebook. Los anuncios y el contenido de este tipo solo pueden ser vistos por las personas que tienen tu permiso para ver las acciones que realizas en los Productos de Meta. Puedes obtener más información sobre la configuración y las preferencias de anuncios.

Usted conserva sus derechos sobre cualquier Contenido que envíe, publique o muestre a través de nuestros Servicios. Lo que es suyo, es suyo: usted es el dueño de su Contenido (y del audio incorporado, las fotos y vídeos que se consideren parte del Contenido).

Al enviar, publicar o mostrar Contenido a través de los Servicios, nos otorga una licencia mundial, no exclusiva, libre del pago de derechos (con derecho a sublicencia) para usar, copiar, reproducir, procesar, adaptar, modificar, publicar, transmitir, mostrar y distribuir dicho Contenido en todos y cada uno de los medios de comunicación o métodos de distribución posibles, conocidos ahora o desarrollados con posterioridad (a efectos aclaratorios, estos derechos incluyen, por ejemplo, los de organización, transformación y traducción). Esta licencia nos autoriza a poner su Contenido a disposición del resto del mundo y a permitir que otros hagan lo mismo. Usted acepta que esta licencia incluye el derecho de Twitter a proporcionar, promover y mejorar los Servicios y a poner el contenido enviado a o a través de los Servicios a disposición de otras empresas, organizaciones o personas para la sindicación, emisión, distribución, Retweet, promoción o publicación de dicho contenido en otros medios y servicios, sujeto a nuestros términos y condiciones para el uso de dicho Contenido. Dichos usos adicionales por parte de Twitter u otras empresas, organizaciones o personas se realizarán sin abonarle a usted una compensación con respecto al Contenido que haya enviado, publicado, transmitido o puesto a disposición pública de cualquier otra forma a través de los Servicios, ya que usted acepta que el uso de los Servicios por su parte constituye una compensación suficiente por el Contenido y la cesión de derechos aquí contemplados.

We have no evidence that this vulnerability has been exploited in the wild. However, now that the update has been released, it is only a matter of time before someone tries to take advantage of this vulnerability.

In addition to the security release, Jetpack 7.9.1 fixes a few other minor issues, including improved compatibility with Twenty Twenty, the new default theme for... [Show more](#)

## Temas comerciales compatibles con GPL

Aunque nuestro directorio está lleno de temas fantásticos, a veces la gente quiere usar algo que sepa que tiene soporte y no le importa pagar por ello. La GPL no dice que todo deba ser gratis, solo que, cuando recibes el software, no debe restringir tu libertad para usarlo como quieras.

Teniendo esto presente, aquí tienes una relación de gente que ofrece temas GPL con servicios adicionales de pago disponibles. Para algunos tendrás que pagar para tener acceso, otros son sitios solo para miembros y algunos pueden darte el tema gratis y solo cobrar por el soporte. Lo que todos tienen en común es que la gente detrás de ellos apoyan el código abierto, WordPress y su licencia GPL.
